Find Your Lucky Charm at the HOPE Dogs St. Pitty's Day Adoption Event!

The Central Pennsylvania Animal Alliance's HOPE (Hounds of Prison Education) Program invites you to our St. Pitty's Day Adoption Event on Saturday, March 20th from 11-5 at Borders Books and Music at 3515 Gettysburg Road in Camp Hill. The event will feature adoptable dogs who are currently training in CPAA's HOPE Program, educational materials for potential adopters and advice from trainers, as well as plenty of furry snuggles and sloppy kisses from our pit crew Bronko, Cocoa, Pumpkin, Chi Chi, Yankee and Hercules.

At 12:30 and 3:30, guest speaker Susan Donmoyer will be sharing her years of experience with pit bulls and pit mixes, training tips, advice on integrating pitties into your family and dispelling the myths and misinformation associated with this very misunderstood breed. Susan has volunteered with rescue for many years and has a wealth of knowledge to share about pit bulls.

From 1:00-4:00, guests can Ask the Expert and have their questions answered about training, behavior and adoption, as well as questions about the dogs in attendance at the event. Alexis Pollack and Kim Koesling, CPAA trainers, will be on hand to answer questions about the dogs and give advice about adoption and choosing the right dog for your family.

All dogs are available for adoption through the HOPE Program and the CPAA member rescues who sponsor the dogs. Adoption applications will be available and staff will be on hand to offer assistance.
