MEDIA ADVISORY

HOPE Program Looking for New Staff Members

The Central Pennsylvania Animal Alliance's HOPE (Hounds of Prison Education) Program is in need of a few helping hands. The program works in conjunction with the State Correctional Institution at Camp Hill to train and rehabilitate homeless dogs from our member rescues so they can be successfully adopted into wonderful homes.

We are looking to add two new trainers to our program to add new components to the training and complement the structure that already exists. The current openings are for a behavior coach and an agility instructor.

The HOPE Program is also looking for a volunteer to fill the rescue coordinator position and work closely with the rest of the staff to see that all of our canine friends find their way to a new home. This position requires excellent communication skills, computer proficiency, attention to detail and problem solving capabilities.

If you are interested in sharing your time and expertise with the HOPE Program, please contact us at hopedogs@comcast.net or 717-379-2511. For more information on the HOPE Program and complete job descriptions, please visit www.hopedogs.org <<http://www.hopedogs.org/>> .

CPAA is an all volunteer, 501(c)(3) charitable organization of over 60 area shelters and rescue groups working together to save the lives of cats, dogs, and other companion animals through public education, increased adoption rates, and an aggressive spay/neuter program.
